Stratecast Perspectives & Insight for Executives (SPIE)

<https://twitter.com/stratecast>

<http://www.youtube.com/user/Stratecast>

Key Stratecast Attributes:

- Intimate interaction with senior, heavily industry experienced industry analysts
- Multi analyst collaboration ingrained in Stratecast's culture (IE: OSS/BSS analysts collaborate with convergence analysts and professional services analysts, etc)
- Industry thought leadership and executive think tank approaches to analysis
- ...and more
